

Young Professionals Attend Iowa Cubs Game

Several American Water Works Association Young Professional members had the opportunity to meet outside of their typical work environment. Pictured above in the front row are Bob Campbell, Kate Bussanmas, and Amanda Hostetler from Iowa DNR (front row). Jennifer Puffer and Katie Kinsey of Des Moines Water Works are seated behind them. Other AWWA members in attendance included Mark Moeller and Terisa Thomas of the DNR; Taylor Hopper, Matt Kasper, and Jennifer Ruddy of Fox Engineering; and Matt Mahler of Snyder and Associates. A few significant others were also in attendance.

The Iowa Cubs did their best to make for an exciting night. The game was tied 3-3 after two innings. The Omaha Royals went ahead 4-3 in the sixth. It looked like the Cubs were running out of time, with two outs in the seventh inning, when they scored two runs amid several walks and a pitching change. The score remained 5-4 and the victory was celebrated with fireworks.
